**II. Basis for Jurisdiction**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because (explain):

They have kidnapped me from (since) 1974 - Colorado and have been partying, boozing, and drugging with celebrities, drug dealers, police-officers. "So that I couldn't have a life - if I didn't know the truth about whom I really and honestly is or are."

III. Statement of Claim

If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

Patty Kidnapped me from the State of Colorado, and your City and Community think that I'm this black-boy (Sam Yates), born and raised from and in the Streets of Akron, Ohio. But I'm not! I was born in Colorado - and brought to Ohio when I was (2); taken back to Colorado until I was (4); then brought back to Ohio on St. Michael's St in Akron, OH. 44320. "Identity theft - states a baby might not ever see the truth until their in their 40's." Patty was going to bust my (white) incubator glass window in my face with her black-self, so I was as nice as possible and made her think I was the child I knew she had in the second incubator. I was in the fourth-one. So I turned myself "black" or else she was going to kill this white-boy.

**IV. Relief**

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

That my name and Social Security number be changed from Yates into
